

Lucy's background spans 20+ years in Education as a classroom teacher, school leader, Induction Coordinator, End Point Assessor and Teacher Trainer. Having had a long focus on the training and development of teachers at varying points in their careers, Lucy is passionate about purposeful training which impacts positive outcomes for children across the region.

As Appropriate Body Lead at JTSH, Lucy's main responsibilities beyond the wider TSH offer, include school leader liaison and guidance on the induction of Early Career Teachers, delivery of training to Induction Tutors, ECTs, Headteachers and Governors on Induction-related matters. She also facilitates the NPQLT delivery by drawing on her own positive experience of school leadership and completing her own NPQLTD.
