

Self-Evaluation

Mentors will identify:

- their current knowledge & mentoring skills and
- previous relevant training.

Prior learning will be accredited for mentors with relevant training e.g. NPQLTD

Core Training – 6 hours

All mentors complete this.

It relates specifically to our programme and curriculum.

Mentors can have the choice of attending face to face sessions; joining synchronous online sessions or watching session recordings.

Supplementary Training – up to 14 hours

Mentors will be advised how much supplementary training to complete based on their self-evaluation.

This training includes:

- NESTT led sessions on key curriculum areas (synchronous / asynchronous delivery)
- NASBTT Modules
- Individual reading of research summaries
- Joint observations with NESTT tutor
