How To Be A Stronger Leader

Due to the popularity of this course, we are starting our next cohort Autumn 2022.

Leaders and practitioners working with Inclusive Schools Trust can help you to:

- Build on your leadership style to develop confidence
- Review current issues and pressures
- Consider your professional skills, attributes and PD needs
- Support your survival strategy

We are delighted to be able to offer this programme face to face at our Therapeutic Services on Wolfe Road, Norwich NR1 4HT.

The programme is organised over three half-day sessions over two terms.

Following the three sessions, cohorts have the opportunity to establish a leadership network to offer peer support and continuous professional development.

For further details, please contact Caroline Mandilakis at Lionwood Therapeutic Services at office@istnorfolk.co.uk or on 01603 516164.

Cost: £250 per delegate

First session - October 14th 2022 - 9:00am - 12:00pm - Senior Leadership - Personal Resilience
