

CULTURAL CHAMPIONS

middle-leadership training programme for teachers

The Cultural Champions programme is for teachers working in education settings, aiming to improve and evolve the strategic direction of creative and cultural learning in their school.

A Cultural Champion might be a subject leader, class teacher, arts specialists, or non-arts specialists.

By joining this **FREE** programme you will:

1. Design your school's cultural programme
2. Implement links to School Improvement/Development plans
3. Develop in-school advocacy and awareness
4. Delegate tasks to your chosen project leads
5. Learn how to put in impact measures for evaluation

WHY BECOME A CULTURAL CHAMPION?

1. Personal and professional development or promotion
2. Confidence to affect change in school
3. Increased leadership and planning skills
4. Increased influence over whole school development
5. Tailored local Create and Learn opportunities with a possibility of performances at the Royal Opera House
6. Networking opportunities with other middle leaders in your area
